The Five Stages Of Al Adoption

Holy Sh!t

Really, Holy Sh!t Sure we're doing that already

Let's get talkin' about Al

Al and our future?

Speed and efficiency are huge rewards, but not at the expense of privacy

## From the public perspective

it's clear that a revolution is under way

#### Agree

Products and services using artificial intelligence will profoundly change my daily life in the next 3-5 years"

Base: 22,816 adults under the age of 75 across 31 countries, interviewed May 26 – June 9, 2023 -- online only in all countries except India. The "Global Country Average" reflects the average result for all the countries where the survey was conducted. It has not been adjusted to the population size of each country or market and is not intended to suggest a total result.

The samples in Brazil, Chile, Colombia, India, Indonesia, Ireland, Malaysia, Mexico, Peru, Romania, Singapore, South Africa, Thailand, and Turkey are more urban, more educated, and/or more affluent than the general population

### Ireland not drinking the Kool-Aid
